

NymaSAN Touch Free W-Pack

Product Detail:

Being specialists in Doc M packs where all that is needed to make a compliant disabled toilet is packed in one box for easy installation by a plumber has led to the development of this new and unique solution – the W Pack. All that you need to make a Covid Secure wash station in one box! Save valuable time in sourcing the correct components together and ensure you are not caught out with incompatible or missing components.

- A cost effective solution
- All in one box to save time

Contents Include:

- Brackets
- Infra-red basin mounted tap
- Basin waste and trap
- Touch free soap dispenser
