- These instructions should be retained by the user of the product for its whole life time.
- Keep plastic bag packaging away from children.
- To maintain the integrity and functionality of this product, regular cleaning and inspection is necessary.

# Installation and Operating Instructions

## Installation:

1. Attach hooks to curtain (using the holes along edge A and hooks supplied)
2. Hook curtain to rail.

## Using this product:

ALWAYS check the curtain is fitted securely to the rail and shows no signs of wear or damage prior to use. Please keep these instructions in a safe place for future use. These instructions are available in braille if required.

## Cleaning and maintenance:

This curtain must be checked regularly by a qualified personnel to ensure that it is in perfect working order. This curtain can be cleaned using only a very mild detergent. Do not use acidic, alkaline, chlorine based or abrasive cleaning materials.

## Packaging:

This product is supplied in plastic wrapping and cardboard carton to keep the product unsoiled until installation. Both are suitable for recycling operations and should be disposed of in accordance with local recycling regulations.

## Warranty:

The standard of manufacture and quality control allows Nymas to offer warranties on all products. The W symbol denotes the number of years covered if different to the standard 1 year warranty. Where L appears this means the product is guaranteed for life (terms and conditions apply).

## Disclaimer:

Nymas pursues a policy of continuing improvement in design and performance of its products and so reserves the right to change specifications without prior notice. The information contained on this document was correct at date of issue and dimensions are provided as a guide only. Some variation may occur due to manufacturing tolerances.

We accept no liability whatsoever for personal injury or damage to property that is or has been caused due to incorrect assembly, installation, or use of this product. Failure to install / use this product in line with these instructions will invalidate any warranty and may affect product safety.
